Diesel Repair & Maintenance

The screenshot shows a web browser window displaying the website for AL Otaibi Diesel. The browser's address bar shows the URL <https://alotaibidiesel.github.io>. The website has a dark header with the logo "AL OTAIBI DIESEL" on the left and navigation links "Home", "About", "Services", and a "Contact Us" button on the right. The main content area features a background image of a diesel engine with red fuel injectors. On the left, the text "AL Otaibi Diesel Repair Services" is displayed, followed by a paragraph: "Modern fuel pumps are tested and repaired using our state-of-the-art technology at our dedicated workshop. With over four decades of experience, we can also repair older diesel fuel pumps, which is quickly becoming a rare service." Below this text is a red "Read More" button. On the right, there is a dark grey box titled "Request a call back" containing three input fields for "Your Name", "Your Email", and "Contact Number", and a red "Send Request" button. The Windows taskbar at the bottom shows the date and time as 10:38 AM on 20-01-2023, along with various system icons and application shortcuts.
